MARKETING & COMMUNICATIONS SPECIALIST

PROFILE

Marketing and communications professional with experience spanning agency and in-house environments across legal, financial services, and professional services. Proven expertise in content strategy, storytelling, social media, analytics, PR, executive communications, brand governance, and integrated campaign management for both B2B and B2C audiences. Demonstrated track record of building data-informed marketing programs that elevate brand visibility and drive measurable engagement. Known for sharp writing, sound strategic instincts, and the ability to move seamlessly between big-picture thinking and hands-on execution.

PROFESSIONAL EXPERIENCE

Day Pitney LLP | Marketing Coordinator

11/2024 – Present

- Partner directly with the Managing Partner and C-suite leadership on high-visibility communications including leadership transitions, strategic initiatives, and awards and rankings submissions that elevate firm and attorney visibility.
- Own the full scope of corporate communications including press releases, website content, newsletters, and executive messaging, ensuring all content aligns with firm priorities and brand standards.
- Drive firmwide social media strategy across LinkedIn and other channels, growing firm followers by 17% over 12 months; oversee content calendars, publishing cadence, and brand consistency for 400+ employees.
- Architect and lead LinkedIn training and advocacy program for 350+ attorneys, growing active attorney participation by more than 50%; manage full event lifecycle from pre-event communications through live delivery and post-event follow-up.
- Build and present social media analytics reports to leadership, synthesizing performance data from HubSpot, Cision, and Mention; support SEO strategy for web content to improve search visibility and organic reach.
- Maintain and actively enforce firmwide editorial style guide adopted by 400+ employees; oversee content review workflows to ensure all communications adhere to brand standards, firm voice, and state bar guidelines before publication.
- Co-manage four external marketing agencies, directing workflows, deliverables, and brand compliance; spearhead content development and quality assurance for award-winning website redesign recognized with two Silver w3 Awards.

Prosek Partners |

07/2023 – 11/2024

Assistant Account Executive

02/2024 – 11/2024

- Secured 80+ placements in top-tier national and financial media including Bloomberg, The Wall Street Journal, Axios, and the Financial Times by crafting compelling pitches and executing strategic media outreach across national, trade, and business press.
- Led high-profile integrated communications campaign for a corporate banking client in partnership with a nationally recognized NFL quarterback, driving a measurable increase in new account inquiries through coordinated messaging, media strategy, and promotional execution across channels.
- Served as day-to-day communications strategist to C-suite executives across 6+ B2B and B2C clients; presented strategies directly to senior leadership, pitched story angles, shaped each client's media presence, and wrote social media content aligned with each client's brand voice.
- Led crisis communications and executive transition messaging for clients across banking, private equity, fintech, and insurance; produced press releases, executive bylines, pitches, and talking points while promoting earned placements across client channels to amplify reach.
- Delivered media training and interview preparation to C-suite clients ahead of high-stakes media interactions; developed briefing materials, messaging frameworks, and Q&A documents; mentored junior staff and managed day-to-day account operations across all client accounts.

Public Relations Apprentice

07/2023 – 02/2024

- Supported communications strategy across financial services accounts; built targeted media lists, developed pitch angles, drafted press materials, and monitored media coverage and industry trends to identify proactive storytelling opportunities.

United States Steel Corporation | Brand Marketing & Corporate Communications Intern

02/2022 – 05/2023

- Executed enterprise-wide brand marketing and corporate communications for 20,000+ employees across manufacturing plants and corporate offices; produced video content, authored intranet articles, employee spotlights, and internal announcements, translating complex operational initiatives into accessible narratives.
- Supported transformation communications during a major company-wide rebrand, managing workforce engagement and messaging consistency across corporate and plant locations; leveraged Meltwater to monitor coverage and optimize content strategy.
